Got PTSA?

At Lincoln High, the answer is a resounding YES! Last year the PTSA successfully impacted the students and parents of Lincoln High. Coordinating and funding Window On Your Future, organizing the Reflections contest, chaperoning school dances and hosting the Staff Appreciation Luncheon were some of the high points. We also made parent education a priority by hosting a workshop about the Every 15 Minutes program, and financial donations were made to the Tod Anton Scholarship, and LHS Safe Sober Grad Night. Since most of our funding is from membership dues, these accomplishments would not have been possible without the support of the LHS parents, students, teachers and staff who joined PTSA last year. **Please join PTSA** so that we can continue to support these programs for our students, parents and teachers during the 2018—2019 school year.

SAVE THE DATES:
